# | Screening Candidates

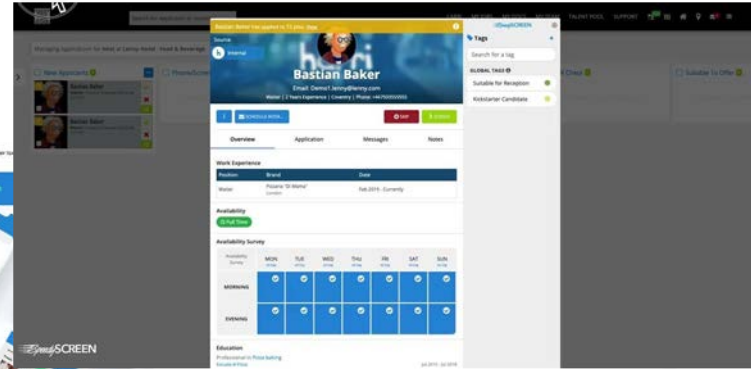

- Screening Candidates has never been easier! You can communicate with the candidate in real time, add them to your Talent Pool, and use the templated messages to take them through to the next stage of the hiring process, all from your mobile phone..

# Interview Scheduler

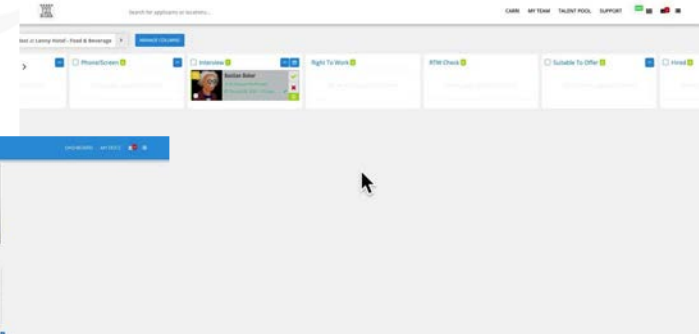

- Organising an Interview with the candidate can be easily done through Hospitality Unite's Interview Scheduler.
- Select the candidates you want to interview, choosing more than one time for them to choose from.
- This will integrate with your Outlook/Google Calendar, as well as the Candidate's.
- It will also send reminders to the candidate before the day of the interview.

# | Right To Work Module

- Once the Interview has been confirmed and has been completed. Check the Candidate's RTW Documents through Hospitality Unite and the integration with Trust ID.
- Trust ID will validate their document to confirm their identity as a Ukrainian Refugee.
- This service comes at no charge
